

# NO GAMES WITHOUT DATA

## THE ROLE OF DATA IN THE VIDEO GAMES INDUSTRY

EXHIBITION ON 11th AND 12th APRIL 2017

ASP 3rd FLOOR, BAR AREA

**OPENING EVENT TUESDAY, 11th FROM 18.30h TO 19.30h**

How is data fundamental for innovation in the video games industry? Come and meet with game publishers and try out the latest innovations in gaming (VR, new consoles, upcoming titles...)

Interested in a private tour of the exhibition and speaking to our data experts? Send us your contact details to the address below and we will get in touch with you to set the timing.

Hosted by MEPs **A. Voss**  and **V. Negrescu** 

If you don't have EP accreditation, please send details (name, surname, ID number, DoB) to [anapanchevska@gpluseurope.com](mailto:anapanchevska@gpluseurope.com)
